## Record Crowd Expected at Mass Meeting Tonight.

The first mass meeting of the 1919 season will be held in the Auditorium of Academic Hall at 7:15 o'clock tonight. As this is the first big student meeting since the war and, at the same time, a mass meeting held for the biggest student body in the history of the University, tonight's crowd is expected to be a record one.

The chief work for this evening will be the selection of a cheer leader, the three candidates being "Zan" Maitland, Jack Scholz and Lester Bailey. All three have had experience as assist-

ant cheer leaders and are upperclassmen.

Doyle W. Cotton, president of the student body, is urging that all dates for other affairs be broken tonight so that one of the biggest crowds in the history of the University may be assembled in Academic Hall. Almost every Missourian who has followed Valley football knows that the Tigers this year, with the smallest number of letter men and perhaps the greenest material in the Valley are up against a really hard fight from now until Thanksgiving Day. For this reason the "Old Guard," or Tiger rooting squad, will be called upon to do the best rooting in its history.

Speeches by Coach Miller and Kel-

ley are expected to be features of the evening.

## Drury Game Tomorrow, to Give Line on Tigers.

Some real line on what the Missouri Tiger football team may do this season is expected to show up in Saturday's game with Drury College, the first game of the season with an outside school, and with an eleven which has been touted as a real state championship class team.

Coach Miller is expected to use two teams tomorrow. Indeed, judging from his practice thus far he will attempt to make substitutions one of his chief winning points during the season. The Drury team is said to have seven letter men back and, if such is the case, and the team plays in the style that old Drury teams have played, the contest which starts at 3 o'clock tomorrow afternoon may not be so one sided as many think it will be.

The Tiger team may be said to be in better condition than the average team is just before a game. Only one man is out of the play for any length of time, this being Hardin, Miller's tackle; and while Peterson, Schroeder and Collins are not back in their best for myet, they are able to get in on most of the work.

Interest in the game next week, the Kansas Aggie contest at Manhattan, overshadows the Drury game. Missourians have come to have a great deal of respect for the Aggie school and members of the team feel that if they pass October 11 without a defeat they will have proven themselves pretty fair gridiron stuff.

## Woody's Freshmen Show Class, the Coach Thinks.

While the 1919 Tigers are gradually being gotten into shape for their first big Valley game next Saturday, Coach C. F. Woody, in charge of the freshmen, is choosing men for positions and making claims that when his proteges step into real Tiger suits—some of them—next year, they will be a big factor in the success of 1920.

Freshman scrimmage with the Varsity will be used as part of the regular Varsity practice three times a week from now on, and the full squad of freshmen will be kept at work until the end of the season. At Thanksgiving the members of the freshman team will be taken on the special to Lawrence that they may have a chance to see the Tigers at their best and those who have been allowed to make the trip will receive the freshman numerals—the award for first string freshman football men at Columbia.

While no definite squad has been chosen by Coach Woody, gossip around the gym points to some as "sure bets." Fullbright, who was unfortunate in his eligibility and for that reason alone is not on the Tiger team, is one of the best broken field runners on Rollins Field. According to his coach he knows how to use his head and is a good safety man. Fullbright comes from Fayetteville, Ark., where he played football before entering Missouri. Allan Lincoln from Webster Groves, who was elected captain of the team last Friday night, has been kept out of practice all week because of slight injuries he received in Saturday's game with the Varsity.

Coach Woody's latest find is Moerschel, an all-Oklahoma state halfback, who only recently reported for football practice. Moerschel, according to Woody has been playing some fast football during the past week and if his good work continues he will be kept in the scrimmage as a first string man to be one of Coach Woody's candidates for Varsity honors next year. Novinger is one of Woody's best bets for fullback while his end positions are slated to go to Crowe and Harrington or Putman and Spieler.

The two freshman team doped as the best Coach Woody will produce this year:

First Team: left end, Crowe; left tackle, Drumm; left guard, Tripp; center, Rusk; right guard, Robinson; right tackle, Bunker; right end, Harrington; halfback, Moerschel; halfback, Lincoln; fullback, Novinger; quarter, Fullbright.

Second Team: left end, Putman; left tackle, Richardson; left guard, Gray (W.); center, Gaul; right guard, Colt; right tackle, Gray; right end, Spieler; halfback, Humes; halfback, Slaton; fullback, Anderson, quarter, Nelson.

## Will Officiate at Clash With Drury.

The following men will officiate when the Tigers clash with George Baldwin's Drury team Saturday: W. C. Gordon, Marshall, referee; C. P. LeMire, former Tiger captain, Jefferson City, umpire; C. R. Woody, freshman football coach and former Tiger, head linesman.

Lieut. James Phelan, assistant football coach, will leave this afternoon for Manhattan, Kan., where he will see the Aggie-Army game Saturday.

## To Wear Numbered Jerseys Saturday.

The Missouri football squad will make its first appearance in numbered jerseys in the Drury game Saturday. The men will be numbered as follows:

Stankowski, 1; Viner, 2; Collins, 3; Edwards, 4; Kolb, 5; Schroeder, 6; Sylvester, 7; Travis, 8; Springgate, 9; Lewis, C. 10; Peterson, 11; Goepel, 12; Ruth, 13; Forester, 14; Stabjein, 15; Shannon, 16; Vilkas, 17; Hamilton, 18; Bahr, 19; Cross, 20;

Collins, H., 21; Bloomer, 22; Bond, 23; Chandler, 24; Godwin, 25; Pearson, 26; Packwood, 27; Shy, 28; Allen, 29; Hardin, 30; Kershaw, 31; King, 32; Guild, 33; Buschman, 34; Kercheval, 35; Williams 36; Weber, 37; Simonds, 38; Johnson, 39; Lewis, H., 40; Nichols, 41; Diercks, 42; Drymon, 43; Coleman, 44; Redmon, 45; Andrews, 46; Buckley, 47; Finlayson, 48.

## Women's Baseball Series Begins Saturday.

A series which will prove of more interest to the women baseball enthusiasts of the University than the present world's series will begin Saturday morning. It is the annual inter-class baseball series. Every day for the past two weeks, girls from each class have been practicing on the woman's athletic field. Each team has a manager who is doing all she can to turn out a championship team. The series promises to be a lively one.

## Tigers Likely to Outweigh Eleven From Drury.

The Tigers will probably have a slight advantage in weight over the Drury team tomorrow, according to figures received by the athletic department from Springfield this morning. The Drury line is said to average 165 pounds, and the backfield 160 pounds.

The game will probably start tomorrow with the following lineup:

Drury	Position	Missouri
Anderson	end	Shroeder
Irwin	end	Goepel
Miller	tackle	Bloomer
Arnold	tackle	King
Washburn	guard	Allen
Manley	guard	Shannon
Griggs	center	Kolb
Woody	quarter	Stankowski
Blockberger	halfback	Lewis
Egdorf	halfback	Edwards
Williams	fullback	Viner

## The Best Dairy Farm in Boone County For Sale

330 acres of fine land, located one and one-half miles southeast of Columbia, extends from the Fulton road to within half mile of Ashland road. Has fine rock road with concrete bridges leading to it from Ashland road. Has nice five-room dwelling house, a good dairy barn with stanchions for forty cows, good calf house, good spring house with concrete basin for cooling milk, and large concrete water tank for stock, a one hundred and fifty ton concrete silo. Also has a good forty by forty horse barn, a chicken house, machine shed, and other out buildings. This farm is well watered, has several springs and a well two hundred feet deep.

It has sixty acres of fine timber, lots of it saw timber, five acres in fruit trees (set out two years ago) in thrifty condition, ninety acres under cultivation in corn and cowpeas which will show the effects of the large amount of manure that has been hauled onto this farm. The balance in blue grass most of which could be cultivated. It is well fenced and cross fenced.

I will sell this farm and make easy terms if the purchaser wishes. I will also sell purchaser a good block of White Eagle Dairy Stock, if he wishes to sell milk to this concern. There is no better Dairy Farm in Boone County, considering location and natural advantages.

My reason for selling is, I have three other farms and cannot look after so much.
